

I am against LPFM stations having priority over current FM translator services. I currently enjoy K-LOVE's Christian music/message. I believe this message provides encouragement and hope to my local community. I also believe the local community would be negatively effected if K-LOVE were displaced by an LPFM broadcaster providing other programming. K-LOVE's services offer a Christ centered positive message that encourages it's listeners throughout the day unlike most broadcasters and this messaged is despirately needed and in the best interest of the public. Please do not offer LPFM stations priority over current FM tanslator services such as K-LOVE.  
Thanks,
